Face Yourself & Think

"THAT NIGHT, I SAT IN MY CAR IN A PARKING LOT, DRINKING AND GETTING HIGH, FLIPPING THROUGH THE RADIO. AND THEN I HEARD IT... 'AND HIS HEART, AND MIND, AND LIFE WERE UNSHACKLED!' I LISTENED TO THE WHOLE SHOW. IT WAS ENTERTAINING. I BEGAN TO LOOK FORWARD TO THE PROGRAM EVERY WEEK. THEN, I MADE AN IMPORTANT PHONE CALL."

The phone call that Angel Feliciano made that day was to Pacific Garden Mission which was the first step toward redemption for Angel. He is now the Director of Mission Relation & Personal Assistant to the President here at the mission, and a testament to the transformative power of Jesus Christ.

As the program director and announcer of Unshackled, I am privileged to see these types of stories play out regularly as we produce the longest running radio drama in history. And being able to partner with BBN Radio while bringing such redemptive, God-honoring testimonies to the world is truly a blessing. This partnership of spreading the Good News throughout the world is one that we deeply cherish.

I am, at times, moved to tears when I take in some of the testimonies shared through our program...

From the Founder's Pen

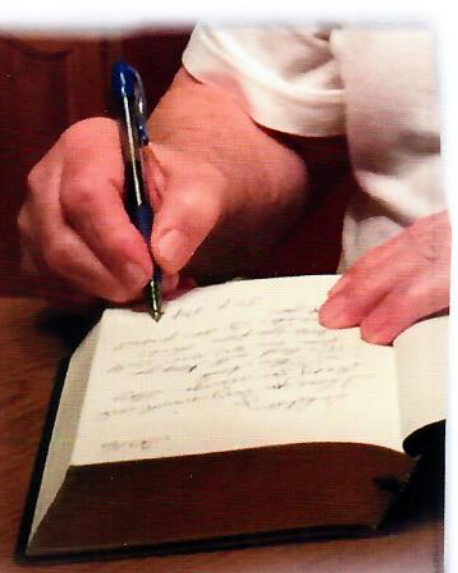

By Dr. Lowell Davey

Success is not education, athletic achievements, a portfolio of blue-chip stocks, or a beautiful home overlooking the lake. Success cannot be bought or sold. Success is not relegated to a certain strata of society.

Every Christian should look at this new year with GOALS of success in mind. However, before success can be achieved it must be identified.

Looking over history I find many great achievers who were successful failures. On the other hand I find many seeming failures who were successful achievers. This sounds paradoxical until you define success.

One definition I have heard of success is "finding the will of God and doing it!" The book of Philippians is a success story written by a prisoner. Listen to these phrases: "that I may know him", "I can do all things", "I press toward the mark", "I might attain", "I rejoice", "I have all and abound", "I am full." Paul knew God's will for his life, and he did it. As one of our presidents stated, "I would rather fail in a cause that will ultimately succeed than to succeed in a cause that will ultimately fail." Christianity will ultimately be a success according to the will of God. It is simply: *FINDING THE WILL OF GOD AND DOING IT.*

Face Yourself & Think

God's grace and mercy abounds in these episodes. And we get to dramatize these redeeming moments every Saturday at the Old Lighthouse (Pacific Garden Mission). Like a shining ray of light piercing through the blackness of the night to guide the poor wanderer home, Pacific Garden Mission has, by the grace of God, stood like a beacon-light in the turbulent sea of Chicago's South Loop area. And the outreach of this Old Lighthouse has been multiplied a thousand times, maybe millions, by the open door of the radio broadcast, Unshackled.

The growth in popularity of this unique radio program ministry, Unshackled, is indeed the work of God. A work that has been bathed in prayer for almost 75 years, and BBN Radio has been an integral part in that growth taking place.

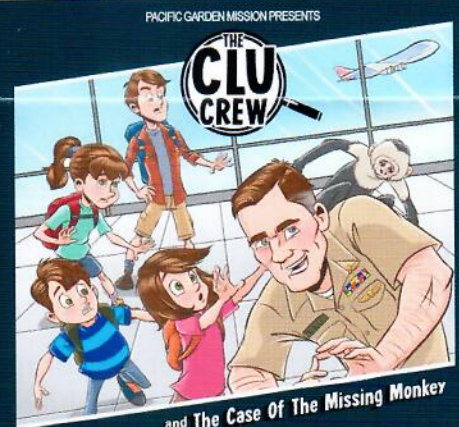

Every day we show up at the Unshackled office praising God for whatever way He's going to use us to help bring more Angel Feliciano's to His magnificent throne by telling these "true stories that make you face yourself and think."

HISTORY'S Greatest SERMONS

History's Greatest Sermons

will air Saturdays at 12:00 am and Sundays at 8:30 am (ET/MT/PT). Experience sermons from great preachers long ago that were preserved for us only through text...that is, until now!

The Clu Crew's natural curiosity and sense of daring make for some exciting and even outrageous adventures. Each episode is told with a family-friendly, faith-based narrative where there is always a lesson to be learned, a Biblical principle to enact, and a mystery to be solved! Join us Saturdays at 11:00am (ET/MT/PT).

God's Word...

Your Anchor

**"Thy words were found, and I did eat them; and thy word was unto me the joy and rejoicing of mine heart: for I am called by thy name, O Lord God of hosts."
Jeremiah 15:16**

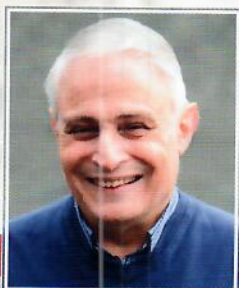

It's not a coincidence that the word "Bible" is part of our name "Bible Broadcasting Network." *God's Word is our plumbline. It's the anchor for our minds and hearts. Infallible. Inerrant. It's authoritative for every area of our lives. God is the author of His Word (2 Timothy 3:16).*

Here are some questions for you (and me) for this new year. Are you savoring Scripture? Are you eating God's Word on a consistent basis? Can you think of some ways your times in God's Word can grow, not only in more time, but also in quality? These are important things to pray about. *Ask God to show you how to more fully and deeply savor Scripture in your life.* There is no one right way or ways to do this. Doing it is the most important thing. You may want to enroll in the BBN Bible Institute! If so, go to bbnradio.org.

I don't need to tell you that we are living in rudderless days. Many are doing that which seems right in their own eyes (Judges 21:25). *Increasingly, God and His Word are being "left out of the equation" in practically every area of life in the USA and beyond.* Romans 1 poignantly describes the times in which we are living. We are reaping the whirlwind (Hosea 8:7).

Isn't it good to know that God and His Word are "the same yesterday, today, and forever?" "The grass withereth, the flower fadeth, but the word of our God shall stand forever" (Isaiah 40:8). May this be your year (and mine) to really savor God's Word and live it out among others for His glory.

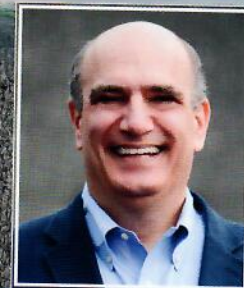

God bless you. Happy New Year!

ONE OBJECTIVE & ONE DESIRE

We are excited about what lies ahead in the year 2025! God is doing great things and we stand amazed at His undeniable blessings on His ministry here! We praise His name for the many listeners who have shared how they have been encouraged and blessed by studying the scriptures with us, many others have come to a saving knowledge of Jesus Christ, and countless numbers of listeners have stood with us, making it possible to share the truth of the scriptures each and every day!

Carl Redemann
BBN Executive Director

As we look towards the year ahead, the Bible Broadcasting Network has *one objective and one desire...to please God.* As Pastor Adrian Rogers states,

"If you please God, it doesn't matter who you displease. If you displease God, it doesn't matter who you please."

We are committed to proclaiming the Word of God for another 365 days, 24 hours a day, in 8 different languages throughout the world. We are trusting Him to meet each of our financial needs as well as the needs of our many listeners who stand with us both prayerfully as well as financially. *He has proven Himself faithful to us for the last 53 years and we are confident He will continue to do so until His return!*

We praise Him and thank Him for all that He has done and all that He will continue to do! What a wonderful time to be a part of this great family of God!

We trust that God will bless you in 2025 as never before and in the good times as well as the difficult, you will remember the promises in Proverbs 3:5-6 which says, *Trust in the Lord with all thine heart, and lean not unto thine own understanding. In all thy ways, acknowledge Him and He shall direct thy paths.* *May we stand together at the end of this year and testify, to God be the glory, GREAT things He has done!*

For many years we traveled many hours to visit our family. Often visits were at holidays and family gatherings, but other times to be with family during crisis situations and aging parents. The encouragement from BBN speakers, to be where the Lord called us to serve even though our hearts were torn as we'd have to leave family, was amazing.

When you suddenly are feeling that your ministry is obscure, things like your representative's visit to our home was such an encouragement. It was God reminding us that He knows where we are. He used your representative for such a purpose. It was just what we needed that day. Thank you for following the Lord's leading to make that visit. The time and effort was used by God. God bless you and your ministry at BBN. We appreciate your time to listen and pray.
